March 9, 2009

Dear Superintendents:

On behalf of all members of the State Board of Education, we would like to invite you to attend a workshop to be held on March 16, 2009, to discuss funding priorities and direction for K-12 public education in Florida. This meeting is not required but should prove interesting and I wanted to invite you to come in person if you can schedule. If not, the workshop will be Web cast on the Department's home at <http://www.fldoe.org/>.

In this challenging time of shrinking state revenues, the focus of the workshop will be to identify policies and components of the education budget which are critically important to sustaining and improving upon the gains in student achievement Florida has realized over the past decade. The workshop will include presentations and recommendations by nationally prominent experts on public education policy.

The workshop will be conducted from 10:00 a.m. to 5:00 p.m. on March 16 in the Cabinet Meeting Room on the lower level of the Florida Capitol. Should you not be available to attend but would like to receive the materials from the workshop, we will be pleased to provide them to you.

Sincerely,

Dr. Frances Haithcock
